

Primary PE & Sport Premium 2016/017

Since 2013, the DfE has provided additional funding to schools to improve provision of physical education (P.E.) and sport in primary schools, based on their vision:

*ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.*

The funding has been provided to ensure impact against the following objective:

- to achieve self-sustaining improvement in the quality of PE and sport in primary schools.

The focus of spending must lead to long-lasting impact against the vision that will live on well beyond the Primary P.E. and Sport Premium funding, so it is expected that schools will see an improvement against the following 5 key indicators:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching P.E. and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

The funding is based on the number of pupils on roll in Y1 – Y6. Our school's allocation for 2016 – 2017 (£8,305) is being used to:

- continue after school sports clubs to focus on skills and tactics needed for each sports event
- employ specialist coaches and a P.E. teacher to support and upskill our school's staff
- fund staff to accompany pupils to additional sporting events and activities
- fund transport to sporting events and activities
- purchase additional equipment and resources
- introduce pupils to new sports and activities to encourage greater involvement

Swimming and Water Safety

Swimming is an important skill and can encourage a healthy and active lifestyle, which is why all our Key Stage 2 pupils have swimming lessons in the Summer term. During these lessons, pupils develop confidence in the water and are then taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [*e.g. front crawl, backstroke and breaststroke*]
- perform safe self-rescue in different water-based situations

1. 100% of Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left primary school at the end of the year 2015/16.
2. 92% of Year 6 pupils could use a range of strokes effectively [*e.g. front crawl, backstroke and breaststroke*] when they left primary school at the end of the year 2015/16.
3. 92% of Year 6 pupils could perform safe self-rescue in different water-based situations when they left primary school at the end of the year 2015/16.

Ingleton Primary School

PRIMARY P.E. & SPORT PREMIUM EXPENDITURE & IMPACT 2016 – 2017

TOTAL FUND ALLOCATED: £8,623

Overall objective: to achieve self-sustaining improvement in the quality of PE and sport.

ACTIONS	COST	IMPACT	SUSTAINABILITY & NEXT STEPS
Primary PE & Sport Premium Key Outcome Indicator 1 – <i>the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</i>			
Continue with weekly sports club after school for KS2.	£816 – Becky Mercer Teaching	Increased participation of KS2 pupils (26%) and more children are showing increased confidence in sport which in turn has increased pupils participating in competitive sports out of school.	-Continue after school sports club. -Consider a sports club for KS1 pupils.
Other school clubs – Judo Zanna's dance	No cost	-Increased participation in physical activity. -Wider range of sports on offer. -Increased participation in competitive sports (Termly Judo Tournaments and Zanna's Dance Competition in York)	-Continue both clubs. -Continue to celebrate achievements of these groups i.e. assembly for dancers to showcase their work, presenting certificates for Judo tournaments. -Invite both Danny and Zanna into school to do taster sessions to increase participation in these groups.
Lunchtime clubs – Sports Club – KS2 Change4Life – Y3/4 Football – Y2	Cost included in staffing budget.	-Sports Club – increased physical activity for KS2 pupils -Change4Life – increased physical activity for children with low self-esteem and/or reluctant to involve themselves in physical activity/exercise and Sports. 60% of Y3/4 took part in Change4 Life last year. -Football – Physical activity and team work development for Y2 pupils. 64% of Y2 pupils take part in football.	-Monitor involvement and increase further involvement of pupils who do not regularly take part in physical activity. Target new Y3's for Change4life. -Appoint KS2 sports Leaders to lead the KS1 football at lunchtimes.
Primary PE & Sport Premium Key Outcome Indicator 2 - <i>the profile of PE and sport being raised across the school as a tool for whole school improvement</i>
