Swimming Y2?

Swimming lessons commence this week. On Thursday Year 4, 5 and 6 will swim and on Friday Year 3 pupils and Year 2 pupils will go to the pool. They will be taught by school staff along with swimming teacher Ms Townsend. Children will require their swimwear (no bikinis please) and towels every week. Please ensure that your child has warm clothes for walking to and from the pool. They may also want to bring a drink of water and some fruit or bread. We require a note if your child will not be swimming for any reason. Please talk to class teachers if you can assist with walking to/from the pool.

Parents are invited to our Swimming Gala when KS2 pupils will be competing during the morning of Thursday 19th July. We request that only photos of your own child may be taken at this event.

Edinburgh

Many thanks to Mrs Colledge, Mr Prince and Mrs Denby for supporting the residential visit to Edinburgh. Y6 pupils will have a great time and they will be sharing their memories with parents in an assembly on Friday 22nd at 2.50pm.

Sports Day

Sports Day starts at 1.30 p.m. on Monday 18th June. Everyone is welcome as long as they smile and cheer loudly! It is a very exciting afternoon for the children and we dread the thought of it raining. If we have to cancel we will send a text in the morning. Monday 25th June is our back up date.

Pupils will need a water bottle and can wear a red, yellow, green or blue T-shirt to help distinguish their team colour. It would be wise to send your child to school with a hat and sunscreen and any large umbrellas/sunshades/gazebos would be appreciated. We recommend spectators bringing their own seats or picnic rugs as well as some change to purchase P.T.A. refreshments.

N.B. At the end of the afternoon we like all pupils to come back into classrooms with their teachers and then they can be collected as usual at 3.30 p.m.

Hot weather

Please make sure your child brings a **hat** to school. You can smother them with **suncream** before school and send a labelled bottle so they can reapply themselves later. This is particularly important for Foundation Stage pupils who spend a lot of time learning outdoors. A clearly labelled bottle of **water** is also a good idea.

QES

The QES new entrants meeting is on Wednesday 13th June Pupils will then be spending the morning of Tuesday 26th June at their new school. Parents will need to organise their own transport to and from school.

Settle College

Tuesday 10th July is the Transfer Evening Meeting and pupils going to Settle College will spend the following day there on 11th July.

Starting full-time school in September

In preparation for starting school in September we are doing things a little differently in Nursery at the end of this summer term. On Wednesday 18th July the children will be able to have a full day in school and they can spend part of the day with Mrs Pickard in Reception. Nursery will not be open on Thursday 19th July. Please get in touch if this causes you difficulty.

School Fun Run

Our annual fundraiser will be held during the afternoon of Wednesday 4th July. Runners will need to wear sports clothing and bring a water bottle to school. Parents are welcome to spectate from 2.30 p.m. Sponsor forms will be sent home soon.

Child Protection

If you are ever worried about a child you could come to school to talk or if you prefer you could get in touch with the NSPCC on freephone 0808 800 5000. Child protection is a weighty responsibility shared by us all.

Dinner Money

Please ensure that accounts are in order before the end of the term. We need meals to be paid for in advance at the start of a half term or the beginning of a week. If you have notified us of your child's absence you won't be charged.

Y6 - Life saving training

As in previous years Laraine Sullivan will be running CPR and Defibrillator training workshops for our Y6 pupils. Full details of the sessions next month will be sent to Y6 parents - they are very valuable sessions so we appreciate Laraine's time and expertise.

Educational Visits

Teachers organise visits to enhance learning opportunities and create memorable days so we appreciate our hardworking staff who provide such wonderful experiences. Children who have school dinners can have a packed lunch provided by school but this needs to be prearranged and, if necessary, paid for through the office. We request voluntary financial contributions for most trips since we are unable to pay from our limited school funds. Costs are shared between pupils and often subsidised by P.T.A. If we don't generate enough funding we may need to cancel trips. If anyone has concerns about paying for visits please talk to Mrs Colledge / Barry.
